

Pfeifer-TTI doo appointed as Yamawa Exclusive Distributor in Croatia.

April 2016 - Mestre-Venice (Italy).

Yamawa Europe announces the appointment of the company **Pfeifer-TTI d.o.o** as the Yamawa Exclusive Distributor for Croatia.

In the new role of Exclusive Distributor, Pfeifer will take care of expanding both the distribution network and the customer base in its country, acting as the national focal point for Yamawa high-end threading solutions.

Croatia is a country with a special focus on General Machining, Mold&Die, Inox, CNC Machining and Generators: now customers will enjoy faster access to a broader range of threading tools that will be available locally together with qualified technical support.

«The profile of Pfeifer is a great asset for Yamawa Europe, both in terms of technical skills and sales capacity, and it's exactly what we are looking for to provide better and faster services to our customers in Croatia» said **Alessandro Sorgato**, CEO of **Yamawa Europe**. *«We have been cooperating with Pfeifer since a long time and we have had the opportunity to appreciate their professional approach and business integrity, which is completely aligned with our philosophy».*

«Yamawa Europe's decision to appoint us as their Exclusive Distributor for Croatia it's a honor for us. This is a sign of reward of our efforts during the years of cooperation and a significant recognition of our technical skills and sales experience in threading tools», said **Marijan Pfeifer**, General Manager and Owner at **Pfeifer-TTI d.o.o**.
